Don't be a "Stephen"

When you don't understand Permissions and Security in Business Central, users can have too much access, mistakes and errors go up, the auditors frown, and you feel like you're never done tweaking and trying to fine-tune your setup. Stop the madness! We're partnering with E Foqus Canada to present [BC Security & Permissions Hands-On Training](#) on January 21st – register soon!

What's a "Stephen"? Watch the video below 😊.
