We're on for Controller's Boot Camps

Hey Controllers, CFOs, and those aspiring to be! After year-end closing is done are you ready to take your BC/NAV skills to the next level? We're scheduling our re-designed [Controller's Foundations Boot Camp](#) in March and our [Advanced Controller's Boot Camp](#) in May - let us know [you're interested in attending](#) and we'll let you know the details pronto.

As a reminder, we offer on-demand scheduling of our classes: you want them, we schedule them. [Let us know](#) what you're interested in from our [list of classes](#) and we'll let you know when we have a class available!

Prospects -> Customers -> \$

If you've followed Robb Delprado for a while you know what a cheerleader he is about the CRM functionality inside Business Central / NAV. But why? And how do you unpack its functionality to drive your sales? We've compiled his series of blog posts for you - just [click here](#) and discover the wonder of BC/NAV Relationship Management.
