## Making a difference in 2021

What's on your list of goals next year? Work smarter (or, dare we say, a little less)? Reduce errors and manual workarounds? Automate processes? Improve your insights and decision making? Then training should be on your to-do list, and to help we've overhauled the training area on our website. New is our [role-based learning plans](#), our [custom class designer](#), and virtual format-friendly [Boot Camps](#). Imagine what your team can achieve when they understand how your Business Central / NAV system really can work for you company! Take a look and [let us know](#) how we can help.

## We're Certified

Perhaps also certifiable some days, but the New View team was recently recognized with a combined SIX Microsoft certifications. Despite it being a busy year, we felt it essential that we continue improving ourselves so we can help you improve. For the full run-down, please check out our [latest press release](#).
