# #GetYourNewView

## Can you implement or upgrade to Business Central on your own?

BC was first released in early 2018 with the enticement of faster implementations and upgrades. But are they? We assembled a panel to discuss the current state of Business Central, and what has and hasn't changed, and [recorded it for you](#). Many thanks to:

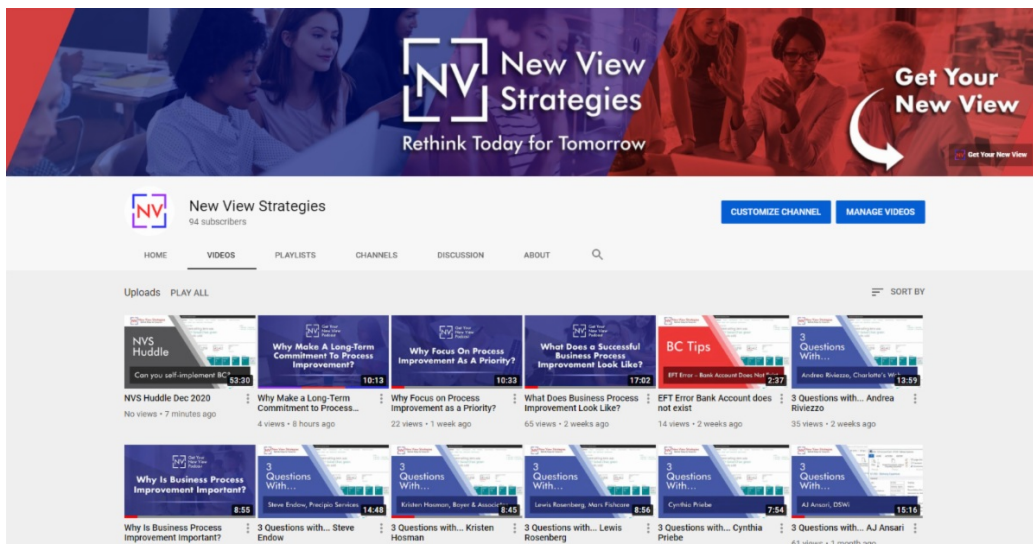

Ben Baxter, Accent Software  
Tom Doran, Innovia Consulting  
David Gersten, Dynamic Consulting  
Erik Hougaard, E Fokus Canada

## Holiday Savings for you

What's better than a Black Friday sale? Saving your precious time with your year-end close. Join [#BCMixItUp](#) next Wednesday, December 16<sup>th</sup> – it's a free session and you'll hear from a panel of experts a variety of finance-related tips.

## Business Process Improvement-palooza

Have you seen the new [New View Strategies podcast](#)? Our first series focuses on Business Process Improvement and its importance on growing your business. Make sure you subscribe to our YouTube channel to be notified of the weekly update!
