Wishing you a safe and healthy holiday season

In this most unusual of years, many of us are experiencing a holiday season very different than normal. We sincerely hope that you are able to enjoy some of your traditions (and perhaps create some new ones), rest and recuperate, and be restored by remembering what this season is all about. Everyone on the New View team wishes you a wonderful holiday season, and here's to a prosperous, promising New Year!

Winner winner chicken dinner

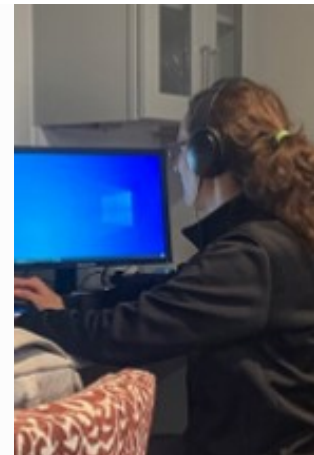

Since we weren't able to see everyone at the annual Summit conference this year, we thought we'd have some fun and hold a prize drawing for all those who attended our sessions virtually. Our grand prize winner was Tim Duncan with Southern States LLC, who scored a just-released Oculus 256GB Virtual Reality Headset (not pictured). Our runners up (shown below) are jamming with Bose QuietComfort 35 II Noise Cancelling Headphones. Third place winners are multi-tasking with an Insignia 4-port USB Hub. Congratulations to everyone!
