Who Should Attend?

CFOs, Controllers, and accountants pursuing a thorough understanding of and confidence in financial processes and reporting within Dynamics 365 Business Central / Dynamics NAV.

Learning Objectives:

At the end of this class, participants will be able to:

- Manage multiple company transactional functions including consolidation, intercompany, and multi-currency
- Explore advanced sales and purchasing concepts
- Review costing methods and how they may affect the results observed in the system, including the effects of adjust cost
- Master advanced reconciliation concepts for inventory and other key accounts

Field of Study: Accounting

Program Level: Advanced

Prerequisites: Successful completion of the Controller's Foundations Boot Camp and the Controller's Intermediate Boot Camp, or attestation of proficiency with the topics included.

Advanced Preparation: Each student will receive via email connection instructions to their individual virtual classroom link and hands-on practice environment shortly before class. Connections to both resources should be tested before class. We recommend using a second monitor while attending class.

Delivery Method: Group Internet-based

CPE Credits: By participating in this class, you are eligible to earn up to 20 CPE credits which will be distributed following class completion. In order to be awarded the full credit hours, you must notify your instructor of your intention to request credit before the start of the first class. To receive CPE credit, you must be present and actively engaged, which will be verified using polling questions and other means. You will not receive CPE credit for any portion of the class that you do not appear fully engaged.

Version: This class is taught in Microsoft Dynamics 365 Business Central.

Learning environment: As experienced trainers of adult learners, we understand how to make training “stick”. We use proven practices to make sure you retain what you learn and are fully equipped to immediately apply what you discovered in class. Each day, you will spend more than 50% of your time doing hands-on exercises in our simulated learning environment.

Refund and Cancellation Policy: Please refer to our Refund and Cancellation policy [here](#).
