Free learning galore

What an explosion of online learning recently! If you're looking for insights and tips there has never been a better time to access free resources and events. We want to make sure you know about:

[#BC Mix It Up](#) - A monthly call open to everyone; next Wednesday (2/17) join in for tips on preparing for an audit.

[D365UG BC/NAV Combined Chapter Meetings](#) - A series of 9 (to date) local user group meetings coordinating together and open online for anyone to attend.

[DynamicsCon 2021](#) - A free virtual learning experience for Microsoft Dynamics 365 (D365), Dynamics GP, & Power Platform users and professionals happening March 16 - 18 2021.

[WWMSTUG](#) - The Worldwide Microsoft Technology User Group is a comprehensive, virtual event bringing attendees over 60 educational & promotional sessions across more than a dozen Microsoft technologies.

The New View Team in Action!

Check out the team this month at these free online events:

Free keyboard shortcuts cube

Can't remember how to see your filtered list of Customers or how to enter the last day of the next month? Those and 39 other keyboard shortcuts are just inches away when you download our DIY "Origami" cube from our [NVS Store](#). Print the PDF, fold it up, and throw away those sticky notes. They're free - so share with the team!
