## Hey CFOs, Controllers, and those aspiring to be

We're thrilled to announce that 2 of our most popular Boot Camps are now open for registration! Capacity is limited so don't dawdle:

[Controller's Foundations Boot Camp](#) – April 9–16, 1:00 – 5:00 EDT

[Advanced Controller's Boot Camp](#) – May 17–21, 1:00 – 5:00 EDT

We've completely overhauled the classes to be engaging and effective in a virtual classroom, and we guarantee you'll receive incredible insights and time-saving tips. You'll also receive a copy of the class slides and hands-on exercises, and you'll be eligible to receive CPE credits. You'll spend half of the class in your own practice environment immediately applying what you're learning, so you can make immediate improvements with your own work. Add in the new connections you'll make and it's an invaluable week!

*"You will be more than satisfied with the experience.  
Brilliant instructors."*
