

Advanced Warehousing Setup

If you're ready to move up to Advanced Warehousing in Microsoft Dynamics 365 Business Central / Dynamics NAV, you want to be very certain in your choices in the configuration and process setup. A few wrong choices on the wrong items may prove painful or even worse – un-reversible. We'll help you navigate the options and understand the considerations, including the Location Card, Zones, Bins, and the other settings required.

Class topics

- Advanced Setups
- Moving from Basic Warehousing
- Location Card, Zones, Bins, etc.

Who Should Attend?

Warehouse Directors, Managers and other warehousing professionals who want to understand how to set up and configure Advanced Warehousing in Business Central / NAV.

Learning Objectives:

At the end of this class, participants will be able to:

- Identify the key setup items for moving to Advanced Warehousing and implications of choices
- Explain the different components and options involved
- Design an approach in the system to emulate one's warehouse

Field of Study: Computer Software & Applications

Program Level: Advanced

Prerequisites: Basic Warehousing Setup

Advanced Preparation: Each student will receive via email connection instructions to their individual virtual classroom link and hands-on practice environment shortly before class. Connections to both resources should be tested before class. We recommend using a second monitor while attending class.

Delivery Method: Group Internet-based

CPE Credits: By participating in this class, you are eligible to earn up to 4 CPE credits which will be distributed following class completion. In order to be awarded the full credit hours, you must notify your instructor of your intention to request credit before the start of the first class. To receive CPE credit, you must be present and actively engaged, which will be verified using polling questions and other means. You will not receive CPE credit for any portion of the class that you do not appear fully engaged.

Version: This class is taught in Microsoft Dynamics 365 Business Central.

Learning environment: As experienced trainers of adult learners, we understand how to make training "stick". We use proven practices to make sure you retain what you learn and are fully equipped to

immediately apply what you discovered in class. Each day, you will spend more than 50% of your time doing hands-on exercises in our simulated learning environment.
