

Gurus of the Finance Roundtable

Last week we were honored to participate in a roundtable discussion on Finance Functions, hosted by the Great Lakes Local User Group. Kerry Peters and Kim Dallefeld lead a discussion that covered a wide range of topics, and even better, it was recorded! Please share with your team and let us know what conversations emerge.

Just released: Account Schedules 101

Still not using or are comfortable with Account Schedules in your BC / NAV system? That changes right now. Each week this year another installment of Kerry Peters' Account Schedules 101 series will be released. If you've missed the first set of lessons, just click below to catch up!
