

4 spots left!

Thinking about taking the [Controllers Foundations Boot Camp](#)? With 4 spots left we'll sell out this week and likely will not have another class until late summer at least. Whether you're a new controller, aspiring to be, or want to make sure you're following Best Practices, this is your chance!

What's up with the April release of Business Central?

With each new release of Business Central the New View team pours through the release notes and tests the new functions and features to make sure we're highlighting key opportunities for improvement for you. Check out these great opportunities to see what's up with the new version of BC coming next month:

["5 Reasons Every Accountant Should Be Excited About D365 Business Central This April"](#) – 11:00 EDT Thursday, presented by Cari Corozza in partnership with MS DynamicsWorld

["Christmas in April for Dynamics 365 Business Central users: Improvements to financial dimensions"](#) – Cari Corozza, published March 19 by MS DynamicsWorld
