

What's your favorite shortcut?

Sometimes it's the simple things in life... which are especially good if you are able to save time and frustration. Shortcuts are a real game-changer in Business Central / NAV, but with dozens of them, how do you remember them all? Keep a Shortcut Cube handy on your desk and never go searching again. Download our print at home version or order a pack of foam cubes for your team, and watch your productivity soar!

Hey Controllers!

Who doesn't like a good twofer? If you want to take your BC knowledge from good to great AND earn 20 CPE credits at the same time, we have the deal for you!

[Advanced Controller's Boot Camp](#),
May 17-21, 1:00 – 5:00 EDT

This class was written for controllers by a controller. It will take you beyond efficiencies to truly understanding the system and allowing you to be proactive with your financial and operational management. Offered for the first time in over a year, you do NOT want to miss

this opportunity.
