

Microsoft MVPs in the house!

Truly, any time you have a chance to spend some time with a Microsoft MVP, it's a valuable opportunity.

So this Wednesday it's like 6 opportunities at once! Join [#BCMixItUp](#) to hear from a rock star group of MVPs on their favorite new features with the 2021 Wave 1 release of Business Central. Let's show this fantastic group our love:

James Crowter

Kerry Peters

Kristen Hosman

Shannon Mullins

Shawn Dorward

Steve Endow

HEAR FROM THE MVPS

Spring cleaning for your Permissions

It's time to do that security and permissions update you've been putting off since you first went live. Are you ready to reign in all the super-user permissions you've extended? Have you been anxious about your lack of segregation of duties? Join Cynthia Priebe for her highly acclaimed Security & Permissions class.

[Security & Permissions](#)

June 8, 1:00 – 5:00 EDT

Cynthia makes this complex subject understandable and approachable, and shares incredible tools to help you get correct your setup (or get started) easily and quickly.
